FRN OUTPATIENT

OUTPATIENT TREATMENT YOU CAN TRUST

Foundations Recovery Network offers a range of comprehensive outpatient services at more than a dozen locations across the country. Using the same integrated treatment model as FRN's residential programs, our trusted facilities provide flexible programming customized to fit your busy lifestyle and meet your unique needs. Created with convenience in mind, outpatient treatment offers a special opportunity for patients to address addiction and co-occurring mental disorders in a real-world setting.

MEET OUR TEAM

No matter the city you live in or facility you choose, you'll be welcomed with the same commitment to compassionate, patient-centered care across all FRN outpatient locations. With an approach that treats the whole person instead of isolated symptoms, we are dedicated to lifetime relationships for long-term recovery. Our experienced and caring staff is passionate about walking alongside their patients on every step of the recovery path, helping them rediscover a fulfilled life along the way.

THE TREATMENT PLAN

Each outpatient location offers:

- Integrated treatment for substance abuse and co-occurring mental health issues such as depression, anxiety, bipolar disorder and trauma
- Individualized care plans customized to fit the unique needs of each person
- Comprehensive addiction assessments and consulting psychiatry services
- Access to our Life Challenge community for post-treatment encouragement and support
- Holistic services that vary by location

CLINICAL DISTINCTIVES

- Dialectical Behavior Therapy skills and Cognitive Behavioral Therapy
- Physician-directed medication management for mood disorders
- Programs for adults, young adults, LGBT and dually-diagnosed individuals
- Support for families through therapy, events and programs
- Group programs on topics ranging from anger, grief and spirituality to trauma and 12-Step recovery program
